

Hello, bookworms!

- Keeping you up to date on projects we're working on
- Giving you a look at upcoming programs and events

VOTE ON SWEETEST PET!

We couldn't decide on the Sweetest Pet ourselves, so we're leaving it up to our patrons! Stop by and vote for your favorite by Saturday, March 14th. The winner gets bragging rights, and we'll spruce up their picture and hang it in the library. No matter which pet is voted the "sweetest," each of the pets will get their own spiffy superlative.

We managed to collect over 200 pounds of food, litter, treats, sheets and blankets, and even a carrying case for Small Town Shelter. We dropped everything off Tuesday, March 3rd before we opened, and Kelly was so excited. A huge thank you to everyone who donated—you helped make many cats and dogs very happy!

Upcoming Events

We recently lost our dear friend, patron, former Library Assistant, and volunteer Joanne Malecki. She was a huge part of life at the Mina Community Center, and she will be greatly missed. In honor of Joanne, we're making sunflowers—her favorite. You can paint, collage, draw, etc. We'll have an assortment of supplies at the ready. We'll hang them in the library so Joanne can keep an eye on us.

Saturday, March 7th @ 11 am

Dr. Seuss Storytime! Come for some Seussy stories, stay for crafts, a snack, and good times

Thursday, March 12th from 3-6:30 pm

Arts & Crafts for Grownups: Sunflowers for Joanne. You can use whatever media you would like to make a sunflower. The goal is to have a "field" of them to hang in the library in honor of Joanne

Thursday, March 19th @ 6 pm

Book Club: *Anxious People* by Fredrik Backman

Did You Know?

Did you know you can stream movies on Kanopy? All you need is your library card number and PIN (just like you do for Libby). If you aren't sure what those are, call or stop by the library for assistance. Each patron gets up to 15 Kanopy tickets per month, and can choose from over 30,000 movies, including documentaries and foreign films.
